

CAT[®] SIMULATORS

Grant Opportunities

We receive many requests for Grant information. While we do not endorse the validity of any grant program, we hope to help connect companies to any government grant monies available for the purposes of training. If you know of a program and would like to see a link on our page, please send it to info@catsimulators.com.

Below is a list of helpful links. Research the opportunities to find out if you qualify.

United States:

Grants.gov

<http://www.grants.gov>

Grants.gov is your place to find and apply for federal grants. The U.S. Department of Health and Human Services is proud to be the managing partner for Grants.gov, an initiative that is having an unparalleled impact on the grant community.

MSHA's State Grants Program

<http://www.msha.gov>

MSHA distributes federal grants to 49 states, Puerto Rico and the Navajo Nation. Grants are made to the state agency program responsible for miners' health and safety. Most grant funds are used to support health and safety training courses and programs designed to reduce mining accidents, injuries and illnesses.

United States Department of Labor

<http://www.doleta.gov>

Current grant funding opportunities are listed along with grant details and closing dates.

Susan Harwood Training Grant Program

<http://www.osha.gov>

The focus of the program is to provide training and education for workers and employers on the recognition, avoidance and prevention of safety and health hazards in their workplaces, and to inform workers of their rights and employers of their responsibilities under the OSH Act. Target audiences include underserved, low-literacy and workers in high-hazard industries.

Infrastructure for Rebuilding America (INFRA) Grants

<https://www.transportation.gov/buildamerica/infragrants>

The INFRA program provides dedicated, discretionary funding for projects that address critical issues facing our nation's highways and bridges. INFRA grants will support the Administration's commitment to fixing our nation's crumbling infrastructure by creating opportunities for all levels of government and the private sector to fund infrastructure, using innovative approaches to improve the

necessary processes for building significant projects, and increasing accountability for the projects that are built.

Second Chance Act Grant Programs

<http://csgjusticecenter.org>

The Second Chance Act grant programs are funded and administered by the Office of Justice Programs in the U.S. Department of Justice. Grants are awarded to state and local government agencies, nonprofit organizations and federally recognized Indian tribes that aid in the youth returning from juvenile correction facilities.

California Employment Training Panel (ETP)

<https://www.etp.ca.gov/>

The Employment Training Panel (ETP) provides funding to employers to assist in upgrading the skills of their workers through training that leads to good paying, long-term jobs.

Delaware Training Grants

<https://business.delaware.gov/wp-content/uploads/sites/118/2017/09/FederalResearchandDevelopmentMatchingGrantProgram01May17FINAL.pdf>

The Federal Research and Development Matching Grant Program is a resource for Delaware residents that will help companies and individuals with their training needs.

The Employer Training Investment Program

http://www.ildceo.net/dceo/Bureaus/Business_Development/Grants/ETIP.htm

The ETIP Incentive program is eligible to pre-qualified Illinois businesses applying for training funds as part of an Economic Development Incentive Project. Companies located in Illinois who are expanding, relocating or are in jeopardy of closing may be eligible for pre-qualification in the program. Participation requires companies to meet certain capital investment and job creation/retention goals and provide a dollar for dollar match of the grant award.

Massachusetts Workforce Training Grants

www.aimhrsolutions.com/talent-management/products-services/workforce-training-grants.cfm

The Workforce Training Fund provides resources to Massachusetts businesses and workers to train current and newly hired employees. They also offer a wide variety of training programs.

Minnesota Department of Labor & Industry's Safety Grant Program

<http://www.doli.state.mn.us>

The Safety Grant Program awards funds up to \$10,000 to qualifying employers for projects designed to reduce the risk of injury and illness to their workers.

New Hampshire Job Training Fund

<http://www.nhjobtrainingfund.org>

The New Hampshire Job Training Fund is eligible to private businesses located in New Hampshire and businesses intending on locating to the State, and pay quarterly taxes into the NH Unemployment Trust Fund. Businesses that make voluntary (reimbursable) contributions are not eligible.

NJ Department of Labor Workforce Development Training Grants

<http://www.cpe.rutgers.edu/employee-training-and-development/training-grants/>

NJ Department of Labor was recently awarded \$1.8 million for grant funded training in the retail, healthcare, transportation, logistics, distribution, and manufacturing industries. The Department of Labor assists companies in accessing grant funds with employee training opportunities.

Oregon CTE Revitalization Grant

www.oregon.gov/ode/learning-options/CTE/statefund/Pages/CTE-Revitalization-Grant.aspx

The grants are used to enhance collaboration between education providers and employers to revitalize new or existing CTE Programs of Study.

Pennsylvania Grant Watch

<https://www.pennsylvania.grantwatch.com>

Pennsylvania Workforce Development Grants provide programs for career education, career training, solve workforce shortage, promote workforce health and workforce development grants.

Wisconsin Workforce Training Grants

<http://inwisconsin.com>

Wisconsin provides Workforce Training Grants to assist businesses in workforce retention and expansion into new markets and technology. The program provides grant funds to businesses to upgrade or improve the job-related skills of their full-time employees.

Canada:

Apprenticeship Grants

<https://www.canada.ca/en/employment-social-development/services/apprentices/grants.html>

Apprenticeship grants are designed to make a career in the trades an attractive choice and encourage more apprentices to complete their training. Eligible apprentices could receive up to \$4,000, which can be used to pay for tuition, travel, tools, or other expenses.

College-Industry Innovation Fund

<https://www.innovation.ca/awards/college-industry-innovation-fund>

Seeks to enhance the capacity of colleges to support business innovation in Canada by providing them with state-of-the-art, industry-related research infrastructure to foster partnerships with the private sector in a specific area of strategic priority to the institution.

Career Focus Funding

<https://www.canada.ca/en/employment-social-development/services/funding/career-focus.html>

Provides funding for employers to help post-secondary graduates obtain career-related work opportunities in Canada to support their development of advanced skills, to help them make career-related links to the job market, and to assist them in becoming leaders in their field.

Canada Business Network

<http://www.canadabusiness.ca>

List of various grants, contributions and financial assistance available to business owners.

Skills Link Program

<https://www.canada.ca/en/employment-social-development/services/funding/skills-link.html>

A client-centered program that provides funding for employers and organizations to offer eligible activities to youth facing barriers to employment.

Strategic Partnership Grants

<http://www.nserc-crsng.gc.ca>

Increase research and training in targeted areas that could strongly enhance Canada's economy, society and/or environment within the next 10 years. Research and training under these grants must be conducted through a partnership between academic researchers and industry or government organizations.

Australia:

Innovation and Development Grants

<http://www.olt.gov.au>

Grant program designed to provide funding for academic and professional staff to discover, develop and implement innovations in learning and teaching.

Industry and Indigenous Skill Centre Program NSW

<https://www.acpet.edu.au/article/4702/departement-of-training-and-workforce-development-industry-and-indigenous-skill-centre-program/>

A national program which provides grant funding for capital infrastructure and/or equipment to establish vocational and training (VET) facilities for Industry and Aboriginal and Torres Strait Islander Communities.

Education & Training Grants

<http://www.australia.gov.au>

Grant program design for career development and training. Site lists training related grants available from both Australian and state and territory government.

United Kingdom:
