

CAT[®] SIMULATORS

ADD VALUE TO **CARMEUSE COMPANY**

Training with the simulator is not only safer but we're also not burning fuel either. And there's no wear and tear on the actual equipment in the field. We can restart exercises several times and work on specific applications over and over again without spending more money."

Harold Hoskins
Carmeuse Technical Trainer

Trained

3,000

Operators
Over 4 Years
